Only university accepted excuses will be accepted and documentation must be provided. Requirements for make-up work are consistent with university policies: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

You are expected to provide feedback by completing [online evaluations](#). Evaluations will be open the last few weeks of the semester. Results of assessments are available at the [GatorRator](#) website.

Students requesting classroom accommodation must first register with the Dean of Students Office (www.dso.ufl.edu/). The Dean of Students Office will provide documentation to the student who must then provide this documentation to the instructor when requesting accommodation. Course Deadline and Extension Policy

Students are allowed 16 weeks, from their date of enrollment, to complete and submit their coursework. If the student has not submitted at least 50% of their coursework and have an extenuating circumstance preventing them from submitting the coursework, a failing grade of “E”, “E0” or “E1” will be issued and recorded to the UF Registrar.

If the student has made sufficient academic progress, which is defined as completing and submitting at least 50% of the coursework and have an extenuating circumstance, the student may petition the instructor for a course extension before the course expires. Each course extension request will be administratively evaluated. Instructors are not required to allow extensions. If a student does receive an extension, an incomplete grade of an “I” will be assigned as an interim grade. When the course is completed, the instructor will initiate the change of grade. After that, the “I” grade will be changed to the student’s final course grade on their transcript.

A Course Cancel

A tuition refund may be granted after a student submits a written request within 30 days of enrollment to the Flexible Learning Office. This request must be in writing by learn@dce.ufl.edu or sent by fax, 352-392-6950. Refunds will be the amount of tuition, less \$25.00 per course. PERFORMANCE EVALUATIONS

Discussion Boards

Students will take part in eight (8) discussion boards, one per module, via the Canvas course site.

- Students will begin each discussion board by posting an opening statement, addressing all questions posed in the discussion board guidelines.
- At least 2 responses and/or comments to your peers’ postings must be made
 - Responses can be reactions to your peers as well as provide new questions and/or ideas for them to ponder and/or address.
- Discussion Boards are worth 10 points:
 - 6 points *maximum* available for opening statement
 - 2 points *maximum* for each of the responses
- Points will be given on thoughtful and articulate position statements, and critical evaluation of and response to your classmate’s postings.
- Comments can be made by voice (through a microphone), webcam, or text.
- While personal opinion will be the focus of these assignments, the topics should be supported by examples from the sport world that can justify your statements.

Module Quizzes

There will be eight (8) quizzes throughout the semester, one per module, consisting of 20 questions. You will have 45 minutes to complete them. Quizzes will be available to you at any time, however, you only get one opportunity to complete it. Module Quizzes rely heavily on detailed information from the book so it is important that you read the chapters and watch the lectures prior to taking it.

Quizzes are open book and open notes. However, Module Quizzes 1, 3, 5, and 7 will utilize ProctorFree, an automated, on-demand online proctoring software using facial recognition for authentication. ProctorFree allows students to take exams anywhere, anytime, is accessible 24/7, does not require a scheduled appointment and takes only minutes to set up. A practice quiz is available on Canvas reviewing ProctorFree and acclimating you to this service.

Please make sure you use a reliable computer with a secure connection, as we are not responsible for computer or connection errors. If an error occurs, please contact Learning Support Services and email me immediately detailing the issue with your Learning Support Services Request Number.
